ABOUT THE EVENT

Babu Pritam Singh Moot Court is the 1st virtual Moot Court Competition organised by J. P. Sharma & Associates in collaboration with Glocal Law School, Saharanpur. The founder of the event recognised the need of a virtual platform at this time of Pandemic, where law students can be a part of a platform where they can draft, plead and showcase their advocacy skill.

The aim of the event is to enable law students from all across India to participate and showcase their mastery over law and legal principles over a virtual platform.

About the Organizers

J. P. SHARMA AND ASSOCIATES

The foundation of the firm was laid down in the year 2013 by Lt. J.P. Sharma. The firm was formed with associates who were Senior Advocates of the Allahabad High Court. And since then our family has increased to 17 associates from the Allahabad and Lucknow High Court today.

The firm has advocates that excel in their particular field of practice and are determined to get you Justice under any circumstances.

At our firm, your advocate is allocated on the basis of knowledge and expertise - so you get the very best person for the job. To help your advocate make more efficient use of time, we assemble a support team of additional advocates, paralegals and law clerks. Even if your advocate is out of the office on another matter, there is always someone here who is familiar with your situation and can assist you.

EQUAL JUSTICE UNDER THE LAW

Glocal Law School

Glocal Law School (GLS) offers a distinctly hospitable learning environment. Learning, we believe, has to be consummate and to be so it has to transcend the classroom. Our aim is to create an environment where academics does not impose, but eases its way seamlessly into all round student life. In order to be truly effective it has to be integrated, made an indistinguishable part of life as a whole, treated not as distinct component but as gestalt – in fact it is to be looked upon as rather a way of life.

GLS offers an innovative and distinctive five-year integrated B.A. LL.B. and B.B.A. LL.B. undergraduate legal study programmes which is relevant to today's society. Diversity and a global perspective are at the heart of the educational experience at GLS. We recognize the need to be global in our outlook which is reflected in all areas of our work.

MESSAGE FROM FOUNDER OF J. P. SHARMA AND ASSOCIATES

Late Jeevan Prakash Sharma

The founder of this firm was Late Jeevan Prakash Sharma, Advocate, High Court And Supreme Court Of India.

He worked as Medico-Legal expert on behalf of Indian Medical Association and many other Medical Association as well.

Through this firm he tried to tell everyone we don't just respond to a client's needs but we also go a step further and anticipate them. It is because we work hard to understand each client's business, industry and unique situations, we can be more proactive about protecting their interests. Because we are committed to frequent communication and ready accessibility, we can obtain client input quickly and move forward in an expeditious manner. Because we embrace the highest standards of professionalism and integrity, we can be trusted to do the right thing for every client. In many law firms, the attorney is assigned by default - it's simply an attorney who had time to fit your case into his or her schedule. At our firm, your advocate is determined on the basis of knowledge and expertise - so you get the very best person for the job. To help your advocate make more efficient use of time, we assemble a support team of additional advocates, paralegals and law clerks. Even if your advocate is out of the office on another matter, there is always someone here who is familiar with your situation and can assist you.

MESSAGE FROM GLOCAL LAW SCHOOL

**Dear Students,
Greetings from Glocal Law School,
Glocal University, Saharanpur, Uttar Pradesh.
It gives us immense pleasure to announce that the
1st edition of Babu Pritam Singh Virtual Moot
Court Competition is being hosted and organized
by the Glocal Law School, Glocal University,
Saharanpur in collaboration with Jeevan Prakash
Sharma and Associates, Prayagraj (Allahabad).**

As one of the upcoming law schools in India, we are constantly taking measures to provide holistic and meaningful legal education to bright young talent from across the country. In course of such endeavors, we have observed that strong advocacy skills, ability to think logically and rationally, combined with acumen for drafting, are some key characteristics that are very necessary for a lawyer in the present scenario.

Keeping in mind these requirements, we are organizing a virtual moot court competition whereby the student advocates will have to think like a lawyer and think out of the box, apply principles of law to the facts of the moot problem within the sphere of law. Participating in this virtual moot court competition will help students to showcase their skills to the world at large. Becoming a good advocate is slow ripening fruit and it is honed through mooting. This Virtual Moot court experience will give students holistic understanding of the legal process and will train students to think, act and react like lawyers.

We are proud to declare that we will be hosting the 1st edition of Babu Pritam Singh Virtual Moot Court Competition along with the Jeevan Prakash Sharma and Associates, one of the leading law firms, has been very gracious to draft the problem for this competition, and we expect this to be a great learning opportunity for the upcoming legal talent of the nation.

We hereby extend a warm and cordial invitation to participate in this event, and we look forward to your enthusiastic participation.

Wishing you the very best.
